Steve Martano asked for an explanation of the insurance line item in the Final 24/25 actual entry. Upon investigation, it was determined by the Vermont League of Cities and Towns that we had been overcharged due to an error in the reappraisal of the building and will be

refunded the overpayment. Wayne Howe clarified that we had actually paid the overcharge as listed in the entry; Sharon confirmed that we had and will be refunded the overpayment. Motion passed unanimously and the budget as presented was adopted.

Article 5. Shall the Trustees, upon the next renewal of the Delaporte CD, close the CD and transfer the total to the Expansion Fund – Dan clarified that CD stands for Certificate of Deposit. Article 6. Other Business thought proper when met – Dan stated that no motion was needed as binding decisions could not be made under this Article. Sharon Lockwood recognized retiring Library Director, Holly Hall, and thanked her for her service and dedication on behalf of the Board. Jean Archibald gave an overview of the origins of the Jericho Underhill Library District and the building of the Deborah Rawson Memorial Library (DRML). Jean talked about the location of the DRML and the value of the Jericho Town Library to serve the farther reaches of Jericho as well as policies that were originally put in place for cooperation between the two libraries. Since both libraries are planning major projects, Jean proposed that members of the two boards meet to discuss capital plans, etc. together and to keep each other apprised of our work.

Adjournment – Sharon moved to adjourn the meeting, Nancy seconded. The Motion passed unanimously, and the meeting was adjourned at 7:27 PM.
