

The Personnel Committee met on April 30, 2015 at 11:00 am. Present: Anne Exler, Gail Schermer, Bev Frank, Lauren Montgomery-Rinehart, Ann Messier, Holly Hall.

The committee discussed the section on family and medical leave for the revised personnel policy manual. Once Holly checks with our health insurance provider, we will be ready to send the section back to Will Towle for approval. We hope this will be the last area that needs Will's input, and that we will be ready to submit the completed revisions to the Board for approval in May.

Our next meeting will be scheduled as needed after we hear from Holly and Will.
