

# **DRML Fundraising Committee Report**

**July 11, 2017, 11am**

Present: Holly Hall, Mary Jane Dickerson, Connell Gallagher

**Note: I did not realize that Elisabeth Lehr and Sven Lindholm had volunteered to be on the committee. Welcome to you both we can discuss days and times for committee meetings when I see you.**

The committee discussed the upcoming Beatrix Potter Garden Party scheduled for August 27<sup>th</sup> from 1pm – 3pm. All of the food and drinks are set: Sue Adams will supply cookies and Joann will bring chamomile iced tea.

Program: Mary Jane is still on the hunt for some children to read and she offered to read herself. Sheila Aiken has agreed to read something, and Holly volunteered as well. Nancy Gallagher and I are also available to read as a duet as well. We'll refine this further at our next meeting in August.

Holly and Connie are working on a basket to raffle.

Holly was given some Royal Daluton pottery by Ed Dombrowsky to raffle off. She gave it to me to have it appraised because it may be too valuable to put out as a silent auction item. Also, pieces might be broken or stolen. Once I have a value we can decide how to proceed.

Holly gave me some material relating to a potential library spelling bee as a fundraiser. We'll discuss this at our next meeting on August 8th.

We adjourned at 12pm

Respectfully submitted by Connell Gallagher
