Future: in July. Bird feeder from Agway.

Future Confirmed: Graphic art work

Possibilities: Diane Shullenberger - Mary Jane will check.

All About Hair - Vicki will check

Include a rare book on the monthly list?

- A problem arose when one of the committee members went to two local businesses requesting donations. They both told her that someone from the library had all ready inquired. Holly checked and discovered that Thad and Donna had all ready requested donations for the summer programs for kids. This creates a problem for us because most of the businesses are the ones that we approach asking for donations for the monthly silent auction. We will need to be careful and not ask these businesses again this year.
- We discussed reconsidering the theme baskets that we had in the past limiting to 5 baskets, having baskets for kids. Joann volunteered to work on this.

Annual Michael McKnight Lecture: Connie suggested that we might want to have a Micheal McKnight Lecture again using local speakers. This was very popular in the past. We could use this lecture to raise money for future speakers from outside the area or to buy books if we focus on a reading and discussion seminar like Michael used to do. To be discussed further.

Shakespeare Tea: Hopefully to be held in August on a Sunday afternoon. Possibilities include a raffle; display of herbs; a show for

kids; readings by Mary Jane and Connie. There will be no admission charge; invitations will be sent to people who donated to our yearly appeal; there will be a donation jar.

Book Barn: we need Holly's guidance on what she thinks we should do with the remaining books. Try to sell again this year or give them away.

Next Meeting: Tuesday July 12 at 11 AM.
