

DRML Fund Raising Committee Meeting

Minutes of December 13, 2016, 11 am

Present: Joann Osborne, Holly Hall, Ann Broekhuizen, and Connell Gallagher

This was a rather informal meeting since we had not scheduled one for December. We needed to confirm some items for our silent auction for the next couple of months. Mary Jane Dickerson told me that she had spoken to Dianne Shullenberger about donating a print and we will put this up for January. I have still not heard from Jolley's about a donation, but will ask the Jericho Café & Tavern about donating a gift certificate. Ann said that she will follow up with Palmer's Maple Shop as well.

The committee then turned to discussing other items for fund raising. Joann came up with an idea to have a program on Beer making since there are so many brewers in the neighborhood and this might be followed by a tasting evening since DRML now has a liquor license. She also mentioned having a chocolate evening this spring at \$5.00/head with all of the items donated. We could add wine to the evening, with wine donated by Joann's husband. We could sell tickets at \$10.00 which would include one glass of wine with the opportunity to purchase tickets for a second glass at the event.

The meeting adjourned at noon.
