Passports: At this time the Federal Government is interested in partnering only with facilities that can provide this service on a full time basis. This is not possible for us and I have asked our contact person to keep us in mind if things change.

English/Shakespeare Garden Tea: The Master Gardeners will be making a new garden this year and we discussed the possibility of having a Tea Party this summer to celebrate. We discussed when the best time would be, and sending written invites to our donors. Holly will check with the gardeners for their input.

The next meeting will be held on April 12 at 11 AM
