**Possible items:**

Joanne and Ann will visit Essex Way stores after the donation letter is complete. The group did approve the letter. Holly will put on letter head.

**Donation letter:**

**After the meeting Joanne mentioned that donators may only claim a contribution if the receiving entity is a designated non-profit organization. Both Joann and I think that there should be a statement in the letter to this effect but we will need to discuss where the money is deposited with the Board. The library does not have this designation but the Friends group does.**

**The next meeting will be held on April 8 at 10 AM.**
