

DRML Fundraising Committee

Minutes, April 10, 2019

Present: Holly Hall and Connell Gallagher

We had a thin attendance for the last two months. We need help with ideas and legwork for future monthly auctions and for our November baskets. It is time to start lining up friends for baskets.

The library made approximately \$700 on the Wine & Dessert event last month. We had a good crowd and it was a fun evening.

We discussed some future auction possibilities for June and July:

- One day pass from the Racket's Edge

- Maple Syrup

- Gardening supplies
